Free Room facilities

All rooms have one whiteboard, one flipchart and projection facilities (larger rooms have built in speakers, others can have additional speakers provided). All rooms have natural light, black out blinds, free wifi and free tea & coffee.

The Waterfront meeting, conference and training rooms can be found on the 1st and 2nd floors of The Waterfront building, situated in Welsh Back in Central Bristol. A stone's throw from Bristol's City Centre, Queens Square and less than a 10 minute walk from Bristol Temple Meads Train Station and also offering stunning views overlooking Bristol's floating harbour.

The space across the 1st and 2nd floors is dedicated to hosting an array of conference, meeting and training events of varying sizes, from a Board Room of 4, up to a training or meeting/conference room for 65 in a theatre style.

The floors have a funky Bristol feel, with photos and graffiti murals of Bristol's famous sites including the iconic Clifton suspension bridge, SS Great Britain and the colourful houses of Totterdown. Others murals reflect the room names, all of which are Bristol colloquial phrases from Brizzle to Gert Lush.

Accompanying the meeting rooms is access to a large fully equipped break out space including kitchen, sofas, TV, space to eat and also table tennis, football and pool tables. All of this surrounded by exceptional views of Bristol and the river.

The costs of meeting and training room hire also include access to in-room refreshments of tea, coffee and water. Also wifi, audio visual presenting equipment such as a television or projector, white boards and flip charts. Catering can be arranged. Please go to our website for full details, pictures, room layouts and also for immediate online booking.
